

List of Amendments, Corrections & Additions to the 1912 Jerrard Book
Compiled by Tom Jerrard 02 Feb 2018

1) Pg 3, Chapter II Origins & Traditions

Paragraph concerning "second tradition". This info is incorrect. My document "Beheading" corrects this tradition.

2) Pg 8, Chapter III Early History Of The Family

Paragraph started with the year 1390. The picture referred to may have existed during the mid to late 1800s drawn by Wageman, however, I believe the picture to be a copy of one done by a 1300s French Historian and has nothing to do with the Jerrard family. See my document "Wageman's Picture" for a full explanation.

3) General throughout the book about Chideock.

Corrections and additions to family members, names, dates plus added families. Also about the "first" Jerrard in Chideock. As premised by the book a Richard Jerrard was not the first in Chideock. Read my document "ChideockJerrardRJan2016".

4) General throughout the book about Sandford. Plus

Corrections and additions to family members, names, dates. Also added information. Read my document "NewBeginnings".

5) Pg 57, Appendix IV, Jerrard London Stock

Major additions and corrections to this family and its origins. Read my document "LondonJerrard(r2018)"

6) All of the above and more is included in my family trees on Ancestry.com
